

THE RAG PICKER

VOLUME X ISSUE NO. 6

NOVEMBER -- DECEMBER 1975

THE OFFICIAL PUBLICATION OF THE PAPER MONEY COLLECTORS OF MICHIGAN

Spoken words of praise are oft forgot, but written words of praise may never be forgot or will endure forever. (Author unknown).

It is therefore proper and fitting that this page be dedicated to our outgoing President.

P.H. (JIM) FRANS.

Jim became our first president in April, 1965 when the Club was formed in Saginaw, Michigan. Jim served our Club as president for a period of eight years in the Club's ten year existence.

Under Jim's leadership the Club has progressed from a humble beginning to a world wide recognized Paper Money Society. Many notable authorities on currency are members of the P.M.C.M.

Jim had the faculty to get all meetings started on schedule. The tenor of each meeting was held in strict abeyance of the subject matter to be discussed. While he did encourage member participation, it had to be relevant to the subject under discussion.

Jim is a member of many Numismatic Societies and over the years he has presented some very timely and interesting slide and talk programs that were always educational.

So to you, Jim Frans, for your leadership and dedication to the PMCM, the membership extends to you and yours, the best of health and happiness in the future, and may your presence grace all our future P.M.C.M. Conventions.

FROM YOUR EDITOR

A NEW FORMAT COMING WITH THE 11TH. ANNIVERSARY ISSUES OF THE MARCH - APRIL RAG PICKER.

In any business or hobby you either stand still or must move forward to survive. Members at the Annual meeting in Detroit voted for a progressive step of changing over from a Mimeograph Rag Picker to a publication printed by a commercial printer.

During the transition period it will mean a lot of co-operation and dedication from members. In order to facilitate the work of the printers, it will be necessary to use the advertising forms that will be included with the January - February 1976 Rag Picker.

Please co-operate in this matter as we will not have time to retype any advertising copy that we receive for the 11th. Anniversary Issue or any other later issues.

DUES FOR 1976

A dues notice was enclosed with the last Rag Picker. We are indeed happy to report that a big majority of our members paid their dues promptly and we thank you. However, each year certain members drag out paying their dues until almost June. OUR DEADLINE FOR PAYING 1976 DUES IS JANUARY 31, 1976. If your dues is not paid by the time you receive this issue, please pay your dues at once and save us the time of sending a THIRD NOTICE. We call your attention to this dues notice as the money in the bank will determine how many pages we can print in the Rag Picker. DUES U.S. and CANADA \$6.00 or OTHER COUNTRIES \$7.00.

MINUTES OF THE PMCM FALL MEETING AT SHERATON-CADILLAC HOTEL

Detroit, Michigan
November 29, 1975

The meeting was called to order by President P.H. (Jim) Frans at 3:00 p.m.

Reading of the June 14, 1975 minutes were suspended as all members were furnished with copies of the Hotel Olds June Meeting. Harold Anderson moved and Ralph Hinkle second, and motion carried.

Bill Anspach reported on the Universal Grading System of paper money of 1 thru 100. However, dealers and collectors all seem to have their own system of grading and time will tell if the effort upon the part of several Paper Money Societies will have any effect.

Editor Werve reported that all Paper Money Societies are interested and concerned with Paper Money grading and the PMCM will chair the meeting of the Syngraphic Liaison Group at Atlanta 1977 ANA Convention.

Here is a list of the organizations participating in the discussions or are considering the matter.

Society of Paper Money Collectors.	International Bank Note Society
Canadian Paper Money Society	Latin American Notaphilic Society
Paper Money Collectors of Michigan	World Paper Currency Club
Cheque Collectors Round Table	Essay-Proof Society

The object of the Group is to provide means through which organizations interested in syngraphics (i.e. paper money, bank fiscal paper, bank notes, etc.) can communicate, share experience and work together on an international scale for the common good of all concerned.

It was thought that for several organizations the use of the words "Bank Note" and "Paper Money" are too restrictive. Therefore the name chosen was SYNGRAPHIC LIAISON GROUP.

While the Syngraphic Liaison Group will not interfere with the internal affairs of any member organization it will accept requests to consider common problems or difficulties. It will, if asked, establish common or uniform systems of approaches to similar activities undertaken by two or more member organizations. To undertake the more complicated projects it may establish sub-committees or qualified persons. The results of all its efforts will be made available to its members by issuing bulletins from time to time. No member organization is in any way bound by the decision or required to accept recommendations of the Syngraphic Liaison Group, but may do so at its sole discretion.

After much discussion about raising the dues to \$6.00 per year, Bob Condo made a motion for the increase from \$5.00 to \$6.00. Second by Chester Clark and passed to take effect January, 1976.

President Frans led some discussion about the PMCM supplying a Best of Show Trophy for our Club Members only through the MSNS for each convention. George Haties moved and Martin Delger second and the motion carried. Tom Jones supported the motion, also for the Spring Show and

MINUTES OF THE PMCM FALL MEETING AT SHERATON-CADILLAC HOTEL (Contd.)

will provide funds for same. Our Club will supply the Fall Trophy.

Board Member Mike Crabb led some discussion on the possibility of Paper Money groups sponsoring a Paper Money Bourse and Show some time in the near future. This show would be restricted solely to dealers with currency. A suggested name was "Currency Collectors of America". The show in order to draw the greatest number of currency collectors should be held some place in the mid states. The logical time would be May or June, in order not to interfere with any other National, State or Regional Show.

Mike Crabb was appointed Chairman to explore the matter further and report back at the Spring Show.

Chuck O'Donnell was given recognition for his time and effort in getting the B.E.P. to issue the new \$2.00 bill. Chuck spear-headed all drives for all the Paper Money Societies as a one man committee and without his undying devotion to this matter, there is no doubt we collectors would not be even looking at a new \$2.00 bill come April 13, 1976.

A letter of Congratulations is to be mailed to Chuck.

President Frans announced a New Format for the Rag Picker. Moved by Tom Jones and second by Harold Anderson. Starting with the 11th. Anniversary Issue the Rag Picker will be all dressed up in a new colorful format. (This is one reason why the dues had to be raised to \$6.00.) The work will be done by a commercial printer.

HERE IS THE RESULT OF THE 1976 ELECTION.

FEDERAL RESERVE NOTE EXCHANGE

Chairman: I.L. Gittleman PMCM 165
P.O. Box 164
Monroe, Michigan 48161

There is trouble on a few avenues in our Exchange List, have had a letter from members about other members not returning their notes. On one end of the exchange member says he sent note, same on other end, and result, one member still has note coming. One other case after three months, no reply from member and no notes, what can we do ?????

I realize letters get lost between two points, how can we continue this exchange and not have people lose their notes while trying to make a trade with other members. Perhaps we may have to go to insuring our mail, but with postal rates as high as they are, this adds to the expenses. A return receipt is still only 10¢, maybe this is our answer. I know I can not be responsible for any one on this list or how they treat others. I try to police actions of others the best I can, too many problems from one member and I will remove them from the exchange list.

I feel bad about any one losing notes that are sent to some one on this list, I have been asked where the burden of responsibility lays, with sender or member on list making trade. There will be times when some of us will be ill or even laid up in the hospital, this can not be avoided. I have talked in past issues about letting some one near or dear to us know just what we are doing, so if time ever arrives when we can not answer our mail, some one will at least keep other posted as to why we are not keeping up with our writing. Along with this I have thought one week was long enough to keep a fellow member waiting for his notes or reply why his notes are not coming. Let's all try a little harder to make sure we make the trades that are asked of us. Protect your self at all times from those that would try to gain at every ones expenses. Would be very pleased to hear from any one about any thing written above and suggestions would be most welcome.

This exchange list is open to any one in good standing, DUES PAID, who will write me for application, my dead line for all copy for each issue is 15th. of each odd month.

The courteous thing to do when seeking advice or trade is to always include a stamped, self addressed envelope. Your fellow collectors will think more of you. The following PMCM Members will exchange current FRN's they have available, at face, plus stamped, self addressed envelope.

ATTENTION: COLLECTORS OF PHILIPPINE WW2 NOTES

HARRY BOISEN, P.O. Box 26383 STA. P.
SAN FRANCISCO, CA. 94126

Lt. Gen. Arthur MacArthur, father of Gen. Douglas MacArthur, was military governor of the Philippines during the Presidency of Theodore Roosevelt, who in 1906 decided to establish civilian government. Gen. Mac Arthur violently disagreed, stressing the importance of the Philippines to the U.S. and vital even if we had to go to war for them. The president ordered him home and was assigned menial duties until his retirement in 1909.

During the recent visit of the Japanese Emperor certain collectors had an informal meeting with members of HIS party. They admitted that their subs, etc. had attacked the West coast and particularly Goleta. Answering the query re WW2 Japanese invasion currency, it was admitted, the program was a failure. They contend that the Victory notes of the Philippines were made in Hawaii, that bear the Bank of the Philippines. However, altho the order was placed in the Islands, the printing could have been elsewhere. Those interested, it is suggested checking with the U. S. Navy.

+++++

Collectors of \$1.00 FRN's. One of the most damaging bits of evidence found in the San Francisco abodes of Patty Hearst, et al, were crisp \$1 notes, part of the loot in the holdup of the Crocker Bank at Carmichael, Ca. (a suburb of Sacramento, California). An old lady customer (mother of many) was shot down by a person with a shot gun, alleged to be Patty.

CURRENCY CLUB OF CHESTER COUNTY

October 23, 1975

The meeting was called to order by the President, Walter Burkey at 8:00 p.m. and all members were welcomed with 20 members in attendance.

The minutes were read and accepted.

The Treasurer's report was given and there is a balance of \$68.35 in the Treasury.

The President then asked that the guests be introduced and Chuck O'Donnell introduced John DeVaney of Wallingford, Pa. Harvey Lee introduced Humbert and Lois Morsello.

The By-Laws were then consulted and the election of the officers for the coming year was carried out. Ed. Koernig requested that the record read that he was abstaining from the vote.

The new officers will take their seats at the November meeting and are as follows: President, Chuck O'Donnell; Vice President, Harvey Lee; Treasurer, Al. Burke and Secretary, Joyce Ann Aspen.

The Board of Governors will consist of Walter Burkey, Ray Jones and N. P. Aspen.

The Treasurer reported that Life Memberships have been accepted by Art. Leister, #11; W. R. Taylor, #12, Walter Burkey, #13 and Archie Wasson, #14.

It was announced that there are now fourteen Life Members with Mitch Hrynyshen, Walter Roish and John Skolnicki eligible for membership.

NEW BUSINESS The November and December meetings of the Currency Club of Chester County will by necessity be required to meet the third Thursday of those months. Due to the lack of meeting room availability, the November meeting will be held on Thursday, the 20th. of November, 1975 at 633 N. Church St., West Chester, Pa.

The December meeting will be held on the third Thursday, the 18th. of December, at the usual meeting place, Chester County Federal Savings Bank. Mark your calendars.

CORRESPONDENCE. The Club membership authorized the Treasurer to pay the Annual A.N.A. dues in the amount of \$15.00 and also authorized the Treasurer to pay the P.M.C.M. dues when they fall due in early November

BICENTENNIAL COMMITTEE REPORT. #1. The Pennsylvania report was given by Ed. Koernig who advised that the exhibit has been already placed in Chester, Pennsylvania for the next two weeks, following which it will move through two different banks in Media and then on to Lima, later to Nether Providence and then to Upper Providence banks. He reported that the average exhibit time is one week. He is beginning to fill the calendar for 1975 and the month of April has been reserved for the West Chester area. Any member interested in having the Pennsylvania Exhibit displayed in his area, is to contact Ed. Koernig.

CURRENCY CLUB OF CHESTER COUNTY (Contd.)

#2. New Jersey reported that its exhibit is complete except for a note from Mays Landing. The New Jersey Committee has offered to purchase the note if any member knows of one that is available. In the event that a Club Member finds a note that can be purchased or borrowed, Joe Lynch has offered to donate \$50.00 to the Club. In the event that a Mays Landing Note is available, but is not for sale, it is requested that we attempt to borrow it and will be more than willing to leave a substantial deposit.

#3. The Delaware report was given by Mitch Hrynyshen and he reported that five cases have been set up by Ray Jones and will be presented to GENA and the Penn-Ohio Coin Meeting in Philadelphia. It is hoped that the display will be moved around the State of Delaware in addition to the above mentioned.

The Fifty-Fifty Club was won by Bob Taylor in the amount of \$12.00.

Show and Tell. Walter Burkey showed a Colonial Note dated August 25, 1774, which was believed to be the first money issued by a city. It was issued by the City of New York to build a water works and was valued at 8 shillings.

Wayne Thomas showed two silver certificates, a 1957B with a very low overprint and a series 1935G overprint which was set quite high. He also showed a sheet of new Commerce and Banking Stamps. His final presentation was that of a piece of fractional currency from the State of Georgia, dated December, 1861.

Joe Lynch showed two beautiful notes, one on the Centennial National Bank of the City of Philadelphia with Charter #2317. This was a \$10. note and was a timely presentation. He also showed an excellent conditioned \$10. note, series 1902 National Currency on the First National Bank of Philadelphia with a number 1 Charter. He then gave a history of a Bennington Type Flag, which was apparently the second flag of our country and presented one to Dr. Aspen on behalf of the Club in appreciation of the use of his home on several occasions as a meeting place.

Harvey Lee then showed a framed display of the story of our first treasurer, Michael Hildegas. The display also included his portrait on a \$10. gold note.

An intermission allowed for refreshments to be served following which the program was given by Bill Horton. Inasmuch as he possessed an excellent slide program obtained via the ANA., featuring \$5. notes, it was felt that this program should be given in lieu of the Educational Notes. Following an excellent presentation, the meeting was adjourned.

The program for November will be given by Albert Burke on "My Syn-graphic Introduction to the Currency Club of Chester County." The program for December will be given by Bill Horton and feature the Educational Notes. Once more, all members are reminded that the November meeting will be the third Thursday at 633 N. Church St., West Chester, Pa. Phone 696-0435.

Respectfully submitted,
s/ Joyce Ann Aspen, Secretary.

NEWS FROM THE NATION'S CAPITAL

By Ed. Zegers PNCM #1116

Now that we are into the winter holiday buying season, we should be running into a variety of new finds. New blocks and higher serial ranges are becoming the order of the day. I know what the mintage figures are, but it sometimes takes a long while until these figures are present in circulation.

I had some very surprising news given to me by my B.E.P. sources the other day and I am pleased to let you all know here and by informing Nate Goldstein for his Coin World column. The B.E.P. will begin printing the new \$2.00 note shortly. Plans are to begin with my own District Notes "E" or Richmond. Then move to the "L" District. Further information is that they will be COPE NOTES. This in itself should create quite a stir right from the beginning. Let's explore the possibilities right off.

First, there will be at least twenty-four initial blocks to collect, one for each District in regular and Star Blocks. Second, with Cope and conventional printings, there will be a mad scramble for the group collectors trying to assemble selections from both types of printing. No telling how many groups will be required to achieve this. By the way, for those who do not understand what the term group collecting is, let me try to explain for you as you may run into this or have requests made of you for this material. Group collectors are those fellows and gals who try to get a sample note within a specific serial number range of each series. Recently, the B.E.P. has owned up that they have been printing notes, but that gaps have existed where none had been thought to exist. For example, the official figures reported for the 1963 \$1.00 Notes that the total amount of notes released for the "F" District was 221,120,000 regular and 19,200,000 Star Notes. This is broken down by saying 99,999,999 for "A" Block, 99,999,999 for "B" Block and 1,120,000 for "C" Block. Naturally, we thought that there were 19,200,000 Stars printed and issued. This is not correct as the Stars were printed in groups as follows: F00,000,001* thru F07,840,001* thru F16,000,000* for a total of 8,259,999, and lastly, they printed a third group of Star Notes starting with serial number F16,160,000* thru F19,200,000* for a total of 3,049,000. Now if you add the three group totals of Stars in circulation, you find that there are only 18,989,998 Stars released rather than the 19,200,000 as indicated by the closing serial number. It is therefore a challenge for group collectors to locate and have a specimen from each of the serial number ranges (groups). Later on in the production of the \$1.00 FRN's, the B.E.P. also made changes within the serial number ranges, but filled them with a new variety of notes printed on the Cope machine. Therefore, the totals are correct, but a group collector needs a specimen from each of the conventional printed notes as well as one from the Cope printed notes. To continue with examples, if you are a block collector, you need 34 blocks (22 regular and 22 Star). It is this way for all of the series thru the present one of 1974. It now appears that this will be the case for the collectors of the new \$2.00 Notes, because they will be printed on the Cope and conventional equipment. By the way, I also learned that the B.E.P. is possibly using the Cope equipment for some \$20.00 Notes also. I cannot get serial numbers or District, but I hope to keep in touch until I have definite info on this subject.

In my last letter I reported the latest info about the production of the B.E.P. Well, I now have samples of the following new blocks:

I will be happy to exchange notes from my District as available for those of your District as available if you include your S.A.S.E. Please see. The FRN exchange.

Seasons greetings to all and happy hunting and trading.

NEWS FROM THE CLEVELAND DISTRICT

The 1974 D-B Notes have arrived. I received my first grouping yesterday, November 13, 1975.

The high notes observed have been D00826000B. Will trade these Notes under the FRN Note Exchange Program.

No 1974 D* have been observed yet, but they should be out in the near future, as I have seen 1969-D, D* Notes throughout the entire range grouping.

Just recently I was fortunate enough to find a 1963 D-B Note in circulation. Its circulated, but a scarce Note none the less.

Robert Hollopeter, PMCM #1669, Box 171, Big Run, Pennsylvania 15715

FROM VETERANS HOSPITAL

Many thanks for the few traders that have a little interest in the trading notes. They are getting very scarce, any more as far as the 74 Blocks. I haven't seen a DE or D* yet. It looks like it wont be long 'til the Star Notes are a thing of the past. The Cope and Conv. Notes are showing up from several Districts plus a few Stars.

A Note about Mr. Yost from Hazard, Ky. I've made several trades with that gentleman and have never had any trouble. He is a little slow, but other things take up his time. There are several others slow about answering all inquiries. But me, it doesn't matter for me as I'm confined at home and in the hospital most of my time. There is another day coming, which we can always look forward to. Collecting money is a fine HOBBY, it helps to pass the time away. Outside of Maybe bills I've traded and bought, the series 1963 most all blocks are out in 74.

So come on you ol' Rag Pickers and let's do some trading. Remember I'm trying for the 00 End on all Blocks 1963 to 1974 Cope and Conv. A lot of 69D Notes are showing up here in the Southern part of District 4, no 74 Stars yet.

PAPER PARTICULARS FROM PORTAGEINTERESTING OPPOSITES OF TWO RECENT FRN'S:

The Federal Reserve District furthest East, the Boston District, had the Serial Numbers for the 1969A Series \$1. FRN start in an area of the highest possible Serial Numbers (A99,xxx,xxxA)

-WHILE-

The Federal Reserve District furthest West, the San Francisco District, had the Serial Numbers for the 1969D Series \$1. FRN stop in an area of the lowest possible serial numbers)L00,000,000E).

I came up with the above for part of a display at our Coin Show, last Spring and thought I'd share it through the Rag Picker.

1974 STAR NOTES:

I have not seen any yet from the "G" District and we are into the GB'A now. About 85% of the 1974 GA's were conventional printings so the opportunity should have been there. It must be the B.E.P. has gotten the spoilage rate down to around 1% or less.

I, like many, many others, still need all the 1974 \$1. Star Notes, even after the printing of this "Odd Ball Series 1974" for over a year. I collect Star Notes with no regard to Serial Number and have a small inventory of extra Stars from 1963. With postage increasing soon, I must state my position future trades. If you WANT SPECIAL numbers for a Series and District, I'll send them if I can, otherwise I'll send what I have for that Series and District or return your notes.

Not all of us Rag Pickers have the money or the time to spend looking for notes with the very specialized start and/or end numbers that are occasionally asked for, but I will send them if I have or am likely to get them.

For me it is about a 10 mile drive to get to the main downtown banks that have the new money and my work schedule conflicts with their hours. Local Branch Banks just do not have it, except at Christmas time. I like this hobby and will continue to help others as much as I can.

When I do get the 1974 Star Notes, I will advertise, so that others can share.

This is the reason for the Rag Pickers existance.

NEW ISSUE OF CU CURRENCY IN ISRAEL

A new type 10 lirot note issue dated 1973 was released in Israel for circulation on January 30, 1975.

The note portrays on the obverse, Sir Moses Haim Montefiore, English Philanthropist.

At the lower left, below the signatures of David Horovitz and Moshe Sanbar are two embossed discs, a feature for the blind previously found only on Netherland notes, two embossed discs equals 10 lirot; later the five lirot will have one disc, 50 lirot three disc, etc.

The reverse of the '73, 10 lirot note shows the Jaffa Gate at Jerusalem with the citadel but without the tower.

The new note is about 20% smaller than the Haim Bialik 10 lirot. It has no security thread but does contain a number printed in invisible ink.

Due to be released next is the five lirot portraying Henrietta Szold; 50 lirot depicting Chaim Weizman; 100 lirot with effigy of Theodor Herzl and in 1977, a 500 lirot showing David Ben-Gurion all in the smaller dimension and each one depicting a gate of the Old City of Jerusalem.

Due to the devaluation of the Israel lirot from 23.8 cents to 16.6 in 1974, the 500 lirot note was necessary and is the first in the history of the new Israel
